

A Dazzling Day for The Press Carrier Boy of the Month

Here's what happens when The Press sends its Carrier Boy of the Month on a pleasure junket—this one to Disneyland. Spencer Brown, 10, a Cub Scout and clarinet player, won his award as a result of building up his

route to about 80 paid customers. He is in the sixth grade at Casimir Elementary School, and a top student. On this junket last month, Spencer was greeted by the minarets of a classical middle-ages fortress, then hobnobbed with a living, talking Mickey Mouse. Next he

was horrified by a face-to-face encounter with Frankenstein, or a reasonable facsimile thereof. Then came discovery of one of the last of the "Vanishing Americans"—the ancient cigar store Indians, once as commonplace as their real-life prototypes. And, finally, a

fond farewell to dazzling Disneyana is bid by Spencer Brown, after a day of real fun—earned as a Press carrier.

...And a Trip to Yosemite for Youth Car Clubs

GETTING READY for start of Youth Safety Run Monday from Torrance City Hall are, foreground, Officer Al Jackson, right, and Lt. A. S. Thompson, of Torrance

police. At the wheels of cars are drivers, from left, Jerry Vandervort, Bill Sigurdson and Dave Garrison. Ron Kendall is standing.

10th Annual Youth Safety Run Slated

Torrance will be the start and finish of the Tenth Annual Youth Safety Run June 24 to 26, hosting teen-aged drivers and their sponsors from all over Los Angeles County.

Torrance officer A. L. Jackson, run co-ordinator and vice president of the Po-Car Clubs, also advised the city fathers that the mid-point destination of the run will be Yosemite National Park. The teen-aged drivers and observers — over 100 strong — along with their police officer advisors will arrive at the park Monday the 24th of June, spend Tuesday the 25th sightseeing and relaxing, and will leave early Wednesday on the return trip.

Members of the youth committee of the PACCC are currently plotting various routes to and from Yosemite and the exact route of travel will be announced to the drivers the morning of the run.

Jackson also announced that presently Torrance plans to enter cars in three of the eight competing classes. The competing classes are: compact with small engine, compact with medium engine, compact with large engine, economy with V8 engine, economy 6 standard size, V8 standard size, custom V8, and classic V8.

Local eliminations are under way with members of the Pharaoh's Pacers Torque Minute Men car clubs competing for the positions in the Torrance sponsored entries. The final crews are expected to be selected by June first and then the heavy practicing begins for the run.

Awards are for safe driving and economical operation of the vehicle.

A Dodge 880, a Rambler American, and a Mercury Comet are the three entries from Torrance in the Tenth Annual Youth Safety Run.

The Dodge, from Rody Dodge, is sponsored by the Torrance Junior Chamber of Commerce, and has Mike Malone of Gardena as driver, Gerald Vandervort of Torrance as co-driver. They represent the Minutemen.

The Rambler, from Vern Maynard Rambler is sponsored by Flowerland Florist and has Dave Garrison and Ron Kendall, both of Torrance, as its crew. They represent the Pharaoh's Pacers Car Club.

The North Torrance Lions Club sponsors the Comet from Bill Hopkins Lincoln Mercury. From the Le Counts Car Club are Bob Zilliox of Torrance, driver, and Bill Sigurdson of Lawndale, co-driver.

Also participating in the run as observers are Lonnie Fredrick, Royce Freeman, and Grant Dibley, all of Torrance.

Each competing car carries a driver, co-driver, and observer. These positions are filled from competition within the participating police sanctioned car clubs. Once a driver enters in a driving capacity he may not enter again in a driving capacity. Another qualifying factor for participating in the run is not more than

EXAMINING ENGINE of car being readied for Yosemite run are, from left, Officer Jackson, car club drivers Ron Kendall (Pharaoh's Pacers), Bill Sigurdson (Le Counts), route co-ordinator Lt. A. S. Thompson, Dave Gar-

rison (Pharaoh's Pacers) and Jerry Vandervort (Minutemen). Car clubs under supervision of police youth officers are considered force in community against delinquency.

URA Midgets Stage Sixth Show Friday

Flashy Ed Johns, Bob Behrens and Wild Dick Barry promise to scuttle top favorites Lowell Sachs and Johnny Gavin Friday night as the snarling United Racing Association full-size speedway midgets stage their sixth 30-lapper at Western Speedway, 139th and Western, Gardena.

First of eight races is scheduled for 8:30 p.m. with one-lap qualifying trials set for 7 p.m.

With Gavin particularly tough to date on the dirt quarter-mile Western oval, Johns, Behrens and Barry have their work cut out for them, especially with the dynamic Sachs operating at full tilt.

The San Diego 1962 URA champion is well up in point standings to date, but he has had anything but luck in garnering the checkered flag to date. However, Sachs always somehow finishes in the money, as the field of more than 50 URA entrants will attest.

Johns won a Western main event several weeks ago in impressive style, while two weeks ago Behrens, wheeling a Chevy II, and Harry, tooling a Ford 60, gave the favored Offies all they could handle, the former finishing a solid second to Govin with Barry fourth.

Also on hand will be such aces as Dudley Stauffacher of Fontanam Phil Bradley of Gardena, Duane Sears of Westminster, Johnny Hy-

CAR CLUB drivers Ron Kendall, left, and Dave Garrison, check dashboard equipment to make sure everything is in order before launching Torrance-

Yosemite run Monday. Awards will be given in seven classes for driving performance and safety.

singer of Norwalk, Mike Moseley of La Puente, Ed Penney of Alhambra, Jack O'Donnell of Fullerton, Forrest Vilander of Arcadia, Jack Devitt of Whittier, Bernie Schlechter of Riverside and a host of others.

SC ROTC Patriotic Award to McClendon

Irvin L. McClendon, son of Major and Mrs. Irvin N. McClendon of 3222 W. 181st St., Torrance was awarded the Sons of the American Revolution award as the outstanding Air Science 1

Michael Mullen Plays Concert

Michael Mullen, Carleton Minn. In February of this year he climaxed his college career in music with his commencement concert given by advanced music students in the College's Skinner Memorial Chapel June 13, for members of the 1963 graduating class and their guests. Mullen has performed in many student recitals at Carleton, in Northfield, Ave.

one moving citation in the six months prior to the run. The run, June 24, 25, 26, from Torrance to Yosemite and return to Torrance, is sponsored by the Police Advisory Council for Car Clubs to promote good driving and juvenile decency among the teen-age driver. Officer Ted Bradley of the California Highway Patrol is president and Officer A. L. Jackson of Torrance, vice president of the PACCC.
